TO : **EPHRAIM NEAL C. ORTEZA, MD, MHA**
Medical Director
Ospital ng Parañaque

DR. LEA GRACE M. VASQUEZ
Hospital Administrator
Ospital ng Parañaque 2

FROM : **THE UNDERSIGNED**

DATE : **13 MARCH 2020**

SUBJECT : **PROVISION OF ISOLATION ROOM AT OSPAR 2 FOR PUIs
AND PUMs**

Considering that Metro Manila has been placed under "community quarantine" and in the City's effort to contain the spread of COVID-19 by contributing the much needed medical space and medical expertise for the accommodation and treatment of Persons Under Investigation (PUI) and Persons Under Monitoring (PUM) for COVID-19, you are hereby directed and authorized to receive, accommodate and manage them at OSPITAL NG PARANAQUE 2 (OSPAR 2) as part and parcel of the extension services being provided by OSPITAL NG PARAÑAQUE 1 (OSPAR 1).

Likewise, you are directed to provide sufficient, dedicated isolation rooms for them and apply the best treatment monitoring given by a competent medical staff for the early detection and treatment of the PUIs and PUMs. As this would require a close coordination with the Department of Health through our City Health Officer, you are also enjoined to immediately provide the necessary reportorial requirements as may be required by these offices in line with the declaration of the National Public Health Emergency of the entire nation.

For your strict compliance.

EDWIN L. OLIVAREZ
